TRADE-33 1/3%  
Gillett's Fern and Flower Farm  
Southwick, Massachusetts

## GENERAL INFORMATION

**SHIPPING INSTRUCTIONS**—Our shipping season opens about April 1st. Customers are requested to state how stock is to be shipped. In case no instructions are furnished by a customer, we will exercise our best judgment, but will not be responsible for damage to stock which may result from long transit.

**CLAIMS**—No claims will be entertained unless made within 10 days of receipt of goods. When shipments are injured by delays in transit, claims should be made against transportation company by consignee.

**PRICES**—The prices in this list include packing and delivery to the local express or parcel station. In the case of Broadleaved Evergreens and Azaleas, where they are shipped with balls of earth, the price includes careful digging and burlapping. Packing will be charged for in addition at cost, for Wholesale Trade.

When Bulbs or Ferns are ordered in small quantities they can be delivered by parcel post and an extra charge of 10% of the cost of the plants should be added to cover delivery charges East of the Mississippi River and 20% on orders to points West of the Mississippi River.

Five of any one variety and size will be sold at the 10 rate. Thirty or more of any one variety, at the 100 rate.

A discount of 2% will be given when remittance accompanies the order. All unknown Parties should send remittance with order.

All shipments will be accompanied by Certificate of Inspection, both Federal and State.

Key to Aid Selection of Plants for Special Places.

- A—Indicates Plants desirable for Dark, Shady Places.
- B—Indicates Plants desirable for Low, Wet Places.
- C—Indicates Plants desirable for Open, Sunny Places.
- D—Indicates Plants desirable for Dry, rather Open Woods.
- \* Indicates Plants desirable for Rock Gardens.

Two or more of the Signs against the same Plant means that the Plant does equally well in the several positions.
